Dear Mr. Crochet:

This letter will document our telephone conversation on November 18, 2004 regarding your termination for stealing company property.

On November 11, 2004 you were suspended pending further investigation for stealing food aboard the Barge 450-1 located at Naked Island in Valdez, Alaska. The Company concluded its investigation on November 18, 2004 and determined that you had indeed taken food from the Barge 450-1 without authorization.

Additionally, you had a telephone conversation with one of our Risk Department employees on November 15, 2004 in which you were hostile and abusive, conduct that is not tolerated by this company.

Please be advised, that you are not eligible for rehire.

Regards,

Frosty Leonard
Director, Operations
